

Build A Scorecard for Your Business

As the saying goes, when you don't know where you are headed, any road will take you there. Companies that waste time travelling down the wrong road usually don't make it to the final destination. A key driver's scorecard is your company's road map to efficient travel. Learn how to identify the key drivers in your company and how you can put together a straight forward system for measuring and managing performance.

What You'll Learn:

- Why it's important to measure
- How to identify key drivers
- How often to measure and what to measure
- Better goal setting
- How to install accountability
