

Successfully Transitioning Your Family Business: The Top Challenges and How to Address Them

Two thirds of family businesses don't make it through the second generation. The businesses that do succeed all have some critical things in common, including planning ahead for the transition, addressing emotional issues around the transition, and creating a business that can not only survive, but thrive, for future generations.

In this workshop, you'll learn:

- The key elements necessary in a transition plan
- How to address issues relating to position, title, and authority
- How to find and retain the best talent in and outside of the family
- How to create and maintain value: what are the key drivers to cash and profitability
- The role of outside advisors in the transition process

Length:

90 minutes
